

Our NEW lunch ordering system is LIVE!

Here is how to place an order. The St. Thomas Aquinas Regional School menu is located here:

[Aquinas Menu | Fairfax Food Service \(ffsfood.com\)](http://ffsfood.com)

You can also locate the menu from the Customers tab in the website's navigation:

STEP ONE

Locate Aquinas in the list and select it. Your menu is password protected. The password is: **stars**

STEP TWO

Once you enter the menu you will see that it looks like a regular calendar. Simply add each meal you would like to order for your child to your cart or use the Lunch Everyday button at the bottom of the menu and check out as you would on any online shopping site.

You may order for more than one child using your account, but each child's order is done separately. After you checkout, you will be offered the option to return for a new order. You won't have to repeat your personal information if you've saved your payment information.

STEP THREE

You will receive a receipt by email with the details of what you have ordered. Please contact us with any questions. January ordering is LIVE!
